## **Certification of CPNI Filing, February 2, 2006**

### **The Pioneer Telephone Association, Inc. d/b/a Pioneer Communications ("Pioneer")**

Pioneer hereby submits that its procedures regarding its customers' Customer Proprietary Network Information ("CPNI") are in compliance with Section 222 of the Communications Act of 1934, as amended (47 U.S.C. 222) and 47 CFR §§64.2001-64.2009.

Pioneer takes its statutory responsibility to protect its customers' CPNI seriously and therefore does not sell, rent or otherwise disclose customers' CPNI to other entities. Further, Pioneer does not currently use, nor allow its affiliates to use, any customers' CPNI in marketing activities. Any request for CPNI is immediately forwarded to Richard Veach, the General Manager of Pioneer. Pioneer's employees have been educated about CPNI, federal regulations and Pioneer's statutory responsibility to its customers. Any unauthorized use, sale, or other disclosure of CPNI by any employee would subject the employee to disciplinary action, up to, and including, immediate dismissal. Further, Pioneer does not use, disclose or permit access to customers' CPNI for the purposes of identifying customers placing calls to competing carriers.
